Trials in tainted space myrellion probe quest guide free

Not advisable if you plan to fight Estallia as this removes the Myr Heavy Tranquillizer Dart. PC has mischievous personality score, same as all my other PCs. My dialog choices went: rivals - peace - deal - partnership.(Second verse same as the first) What the heck am I doing wrong? 30,000 Credits Estallia and her children leave for Mhen'ga in several days.Take Them - You have a big-ass ship. Choosing to Search the room will reveal a safe that can be opened by Smugglers and after the defeat of the Gold Officer in the Radio Tower.The safe contains the following items:Bad EndsLosing in any of the combat encounters other than the initial ambush will lead to a bad end.ResolutionEstalliaUpon encountering Estallia the PC can talk to her:Attack - Let's get this over withGo Home - Tell the myrish queen to go home. Okay, so for all of the previous charters I've played as, Steele makes the partnership deal choice. Tell the queen to meet you somewhere safe, and you'll evacuate them yourself. After shipping out from Kressia, Lieve's party will be ambushed here, resulting in a loss to about half of her unit. meh. Anyway I was playing TTIs using the version it gives you here and when I went to Myrellion I went into those deep caves in no Myr land and defeated the Nylean princess and found the silver key in her bedroom... you doubt you could find them passage for less than 30,000 credits. The fight's already lost, and she's got a better chance with you than with the Federation commandos.Why Fight? talk scene, allows the pc to give a suggestion of a planet to go too.Kui-tan - The kui-tan seem to have a serious interest in Myrellion. Tap your favor with them to evacuate the myrmedion rebels. Plus you could look over Smutosur for Tavira palace on tips how to finish this place with best outcome. Shut up and take my likes! said: Okay, so for all of the previous charters I've played as, Steele makes the partnership deal choice, but i cant find the probe on the planet and when i tried to search the forums for solutions it kept going on about the Kara quest (who i betrayed for Shade when she asked me to distract her) and some girl called Tharvian who i dont know and dont know where to find. Any help with these problems? A text-based adventure game with a 'furries in space' theme. Twick the purple cabbit returns to Trials in Tainted Space with this let's play series. And take it with them or destroy it.Choosing too use the Radio Set will cause Estallia to become aware of your intrusion and await you at the Main FloorNote: Doing this will trigger the final encounter leaving the pc unable to do anything outside of the Radio Tower for the rest of the quest.Map of Munitions Factory BasementBasementChemical StorehouseThe westernmost square of the basement. thank you! been trying to figure that out for a while. With so many of them, and one as large as the War Queen.. Except on my most recent Captain Steele incarnation, I can't make a deal w/ Taivra. Estallia and her children are brought to Mhen'ga over several days.If combat is started and the PC is the only member of the red faction to remain standing they can allow Estallia to escape or Capture her.Not being the only standing member will automatically capture her.Afterward if the PC Captured Estallia they will recieve a Satchel of Gems from SelleraTrials In Tainted Space Tarkus PrizeNotable Items and RewardsKey Items:Trials In Tainted Space TarkusLoot:Trials In Tainted Space How To Get To TarkusRewards: Free mp3 youtube downloader for mac.Myr Greatcoat (Estallia not captured) Given by Lieve the first time visiting her after finishing the quest.Satchel of Gems (Estallia Captured)Trials In Tainted Space Tarkus ProbeAftermathIf Estallia left for Mhen'ga she and her daughters will reappear after several days on Mhen'ga.Trials In Tainted Space TarkusIf Estallia wasn't captured the next time the PC visits Lieve will give them the Myr Greatcoat.The visit after that the pc can give her the Gold Myr Cipher if it wasn't destroyed.Trials In Tainted Space Tarkus Bomb Retrieved from * Not sure if this is the right place to put it. If Mischievous Start Combat Else Estallia LeavesTry Peace - You came here to try and stop this war! The Gold Myr have already lost: why keep fighting?Surrender - Try and get the queen to surrender. Big enough to take all these gold myr, anyway. talk scene, allows to choose another option Done Why Fight? Not done Why Fight? Now the silver key i mentioned, I tried to use it in the West of No Myn land where in a spot it said there is a keyhole above the latch but the silver key either doesnt do anything to it or im blind and dont know how to use it. Surely the queen and her troops would be a smash hit on the 'nuki homeworld. This is if you go through the "Peace" route--trying to convince her about the "Probe" first as a mischievous character may prove a different result. Once agreed upon, Steele must meet up with Scout Lieve Thyrsa captain of the Pathfinders to begin the mission.Requirements: Agree to help Sellera to capture the War Queen. You have no intention of fighting her. Donate - Give the myr rebels enough credits to buy their way off planet. After you beat her you would get coords for next planet (and for now with picking subjugation option also manage to get out probe to sell). Adds 100 lust to pc If pc has max lust force sex sceneDrink Machine - ad the Heavy Tranquillizer to the ants drinks. Gold Remnant Ambush 4 Gold Remnant Soldier vs Steel, Lieve and 3 Red Commandos The first defeatedGold Remnant Soldier is replaced with a Gold Remnant Brute the fight last either 10 turns (resulting in a victory) or until either party is defeated>Note: whether the fight is won or not Lieve sends the PC ahead and gives him the Myr Heavy Tranquillizer Dart causing the PC to move to the Southernmost square of the Main Floor.Map of Munitions Factory Main FloorMain FloorThe main floor of the dungeon.After the initial ambush, the player will find himself at the southernmost square of this floor:Tank3 squares north of the starting square the pc will find a sabotagable tank that when sabotaged allows the pc to skip the first stage of Estallia's fight BarracksThe northern square of the three eastmost squares contains a Gold Squad that needs to be neutralized to gain access to the basement. PC has Capital Ship with a crew capacity of at least 100 Estallia and her children are brought to Mhen'ga over several days.Tap Kara - Kara and her smuggler buddies aboard the Ghost owe you a big damn favor, and you know they're operating around here. There's no need to fight here.Save Her - You came all this way to save the gold myr. If Steele is mischievous or mean, then she will rather fight. Choosing Mhen'ga will cause Estallia to ask how they will get there. never woulda guessed she was there because as far as i knew there was nothing indicating where she was *sigh* I didnt get any co-ords after beating the Queen (whom i surrendered to) is that a bug? Finished Karaquest 2 with Kara alive. There is a crate that contains 4 Lustoxin.Estallia's RoomThe easternmost square of the basement. I think Taivra only accepts the partnership through peace if she sees Steele's personalty is kind/nice.
